Dear Amerishades!

I'd like to thank you personally for your great work!

In my new Retail Store on 781 5th Ave NYC, Yaron Sabag and AMERISHADES did a phenomenal job. I was little worried about the time frame he promised to meet my deadline, but draperies came on time and looked really great!

Im going to continue my work with you and highly recommend your service to all my partners and friends!

Sincerely,

Domenico Vacca
